

ESSENTIALS: LLC OR CORPORATION	CHECKUP: BUSINESS CHECK SM	SUCCESSION: BUSINESS PLANNING
<p>Our Essentials service covers the fundamentals of launching your new company. Business structure? Management options? Tax considerations? Buy-sell terms? Key agreements? These are some of the vital decisions facing you. However, rest assured that we will guide you in making smart choices and then tailor all corresponding work for maximum liability protection and peace of mind. This is the perfect solution for starting your new venture off on the right foot.</p>	<p>Our Checkup service assesses the current state of your company's legal affairs. We recommend performing a BUSINESS CHECKSM periodically, since as we all know, a lot happens over the course of running a business. Dotting the i's and crossing the t's can be easy to forget, especially when you are in the thick of it. Yet, too many omissions will undermine your company's liability protection. It is critical to maintain your entity with ongoing due care. This service will diagnose how you are doing and what may need fixing along the way.</p>	<p>Our Succession service blends business and estate planning for business owners. After all, you are working hard to build your business. Shouldn't you also consider a business succession plan that protects what you have built for those you love? Let us guide you through multiple estate considerations and then implement a written plan that avoids surprises in case of incapacity or death. If you are looking to secure a lasting legacy, this is your chance.</p>
